Professional Practice Committee Request to Research – Formal Project

This form is to be completed by the <u>principal researcher</u> and returned to Autism SA with the ethics proposal, ethics approval, advertising material (pamphlets, letters, etc), and any research instruments to be used for this part of the research project (unpublished tests, interview script, survey software, etc) unless a valid, reliable, commercially available test is to be used, in which case only the answer sheets need to be submitted. Applications should be addressed to The Professional Practice Committee and emailed to mypathways@autismsa.org.au or posted to Autism SA, PO Box 556, Melrose Park DC 5039.

By submitting your application to the Professional Practice Committee you are acknowledging acceptance of the following conditions should your project be approved:

● Contact details for researchers and supervisors that are provided on this *Request to Research* form may be displayed on the Autism SA website and accessible by the public

● Current and past research projects will be listed on the Autism SA website indefinitely

● Autism SA requires one copy of the final report for inclusion in the Digital Resource Centre

● A brief summary report <u>and</u> paragraph abstract of the outcomes and findings is required for distribution via the Autism SA website, and other online platforms

● Researchers may be requested by Autism SA to present their outcomes and findings at conferences and seminars hosted by Autism SA at no cost.

Any details provided via this form may be displayed to the public. Please do not include private residential addresses or telephone numbers.
